Extra! Extra!—A professor thinking!

Bench sitters.

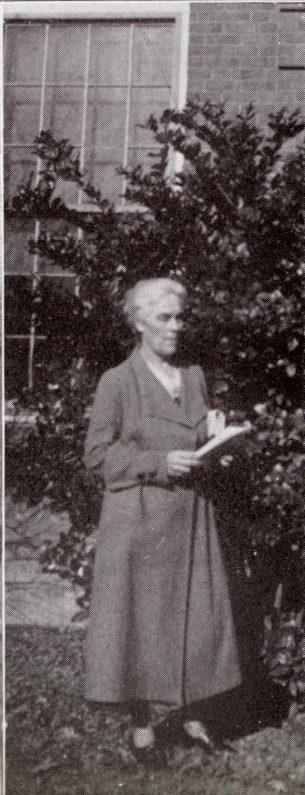

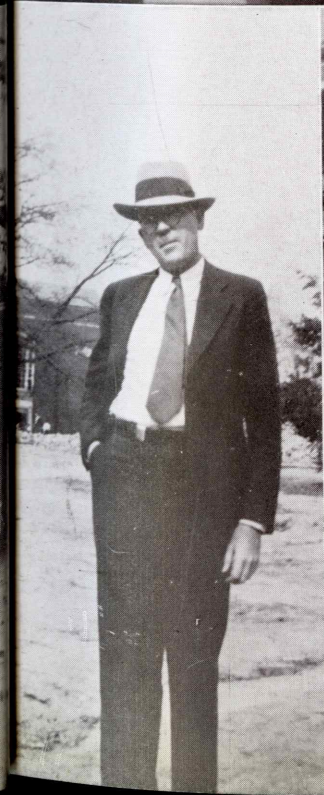

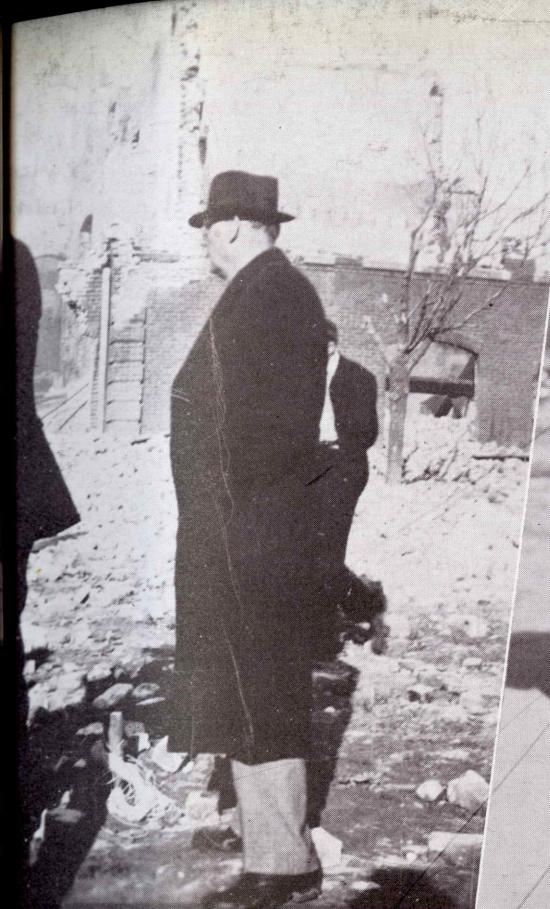

The presidents and his stalwarts.

Coach Fox dissipating.

Between married men.

Mr. Jenkins without his umbrella.

Dean Mitchell views
the Re-Main-s.

Mr. Armstrong on the
side of (W)right.

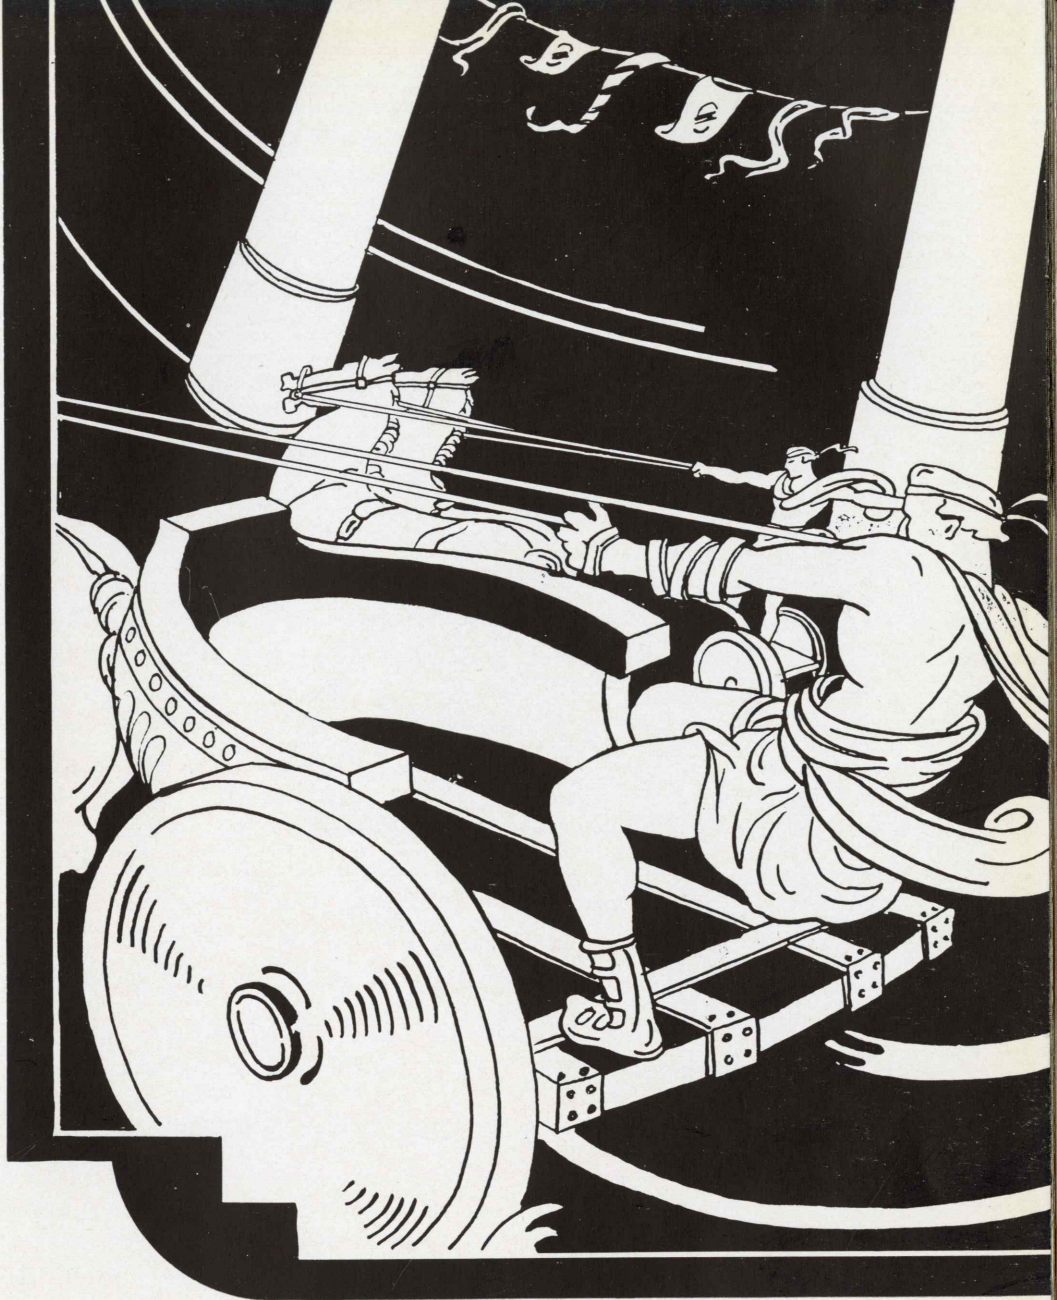

Photograph of three
gentlemen (?) pro-
fessors.

The Ghost of Shake-
speare.

Y o u c a n af-Ford to
spend.

There's plenty due
them.

The spirit of Alma—
Mater.

Assistant Line Coach

FOOTBALL RESUME

Under the able direction of their "skipper," Coach "Eddie" McLane, the Louisiana Tech Bulldogs found comparatively smooth "sailing" on their nine-game "voyage" with one exception. The Bulldogs ran "aground" on a "reef," the Mississippi Millsaps Majors, who "sunk" the championship aspirations of the Techmen as they unloosed a deadly barrage of passes that netted them a one-point victory and the Bulldogs' only defeat of the season.

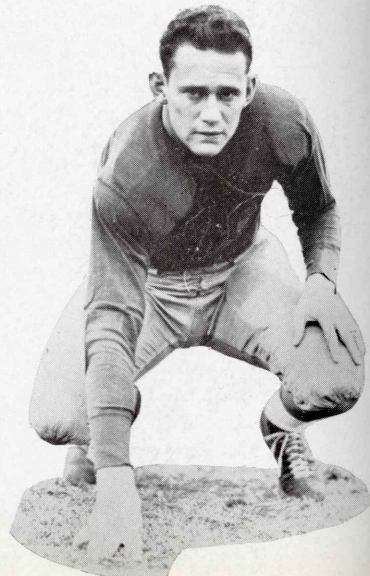

Using the Notre Dame system of football, Coach McLane developed an efficient high-scoring machine that never failed to score under 20 points in any game and ended the year with a total of 253 points while holding the opposing elevens to 42 points.

Fans of North Louisiana believed in the grid prowess of the Techsters enough to purchase 500 season tickets that enabled authorities of the institution to install lights on the field and treat the fans to night football, the first that had ever been played at Tech.

The McLane-tutored lads opened their big guns against the Tennessee Tech Golden Eagles from Cookeville, Tenn., who were subdued easily, 44 to 0. The Ruston team scored in every period with Mitchell, Carroll, Brooks, Hanna, Darling, Wiley, and Hasha all sharing in the point-gathering jubilee.

The Bulldogs' next game was with Southwestern and this was the occasion of the dedication of Tech's new \$25,000 concrete stadium, featuring talks by T. H. Harris, state superintendent of education, and E. L. Stephens, president of Southwestern, in pre-game ceremonies. Taking full vengeance for defeats inflicted on them the past two seasons by the Lafayette squad, the Tech Canines pranced up and down the field to leave the S. L. I. men on the short end of a 25-to-0 score. Touchdowns were scored by Carroll, Mitchell, Hinkie, and Hewett.

Another Tennessee team, this one from Jackson, fell as the next victim of the wiles of the Techsters, who sent them back home with a 27 to 0 trouncing. This

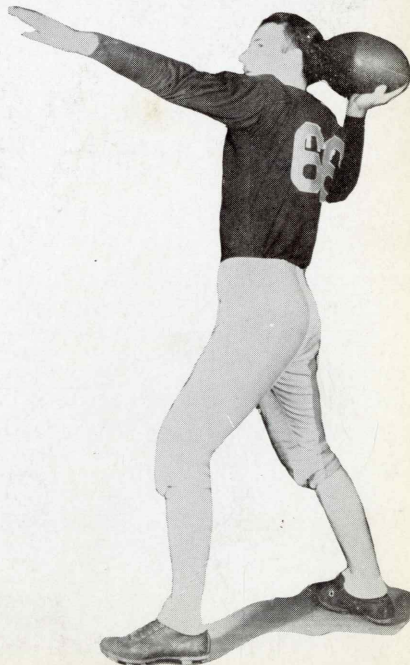

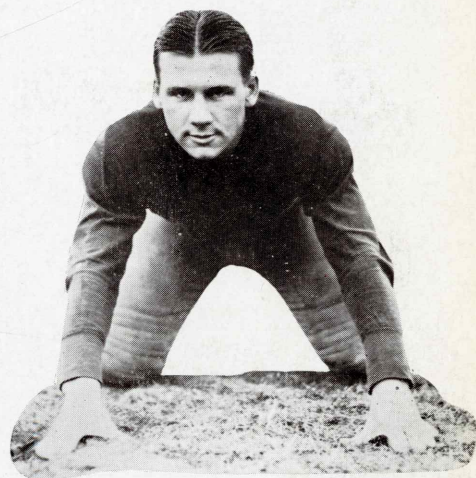

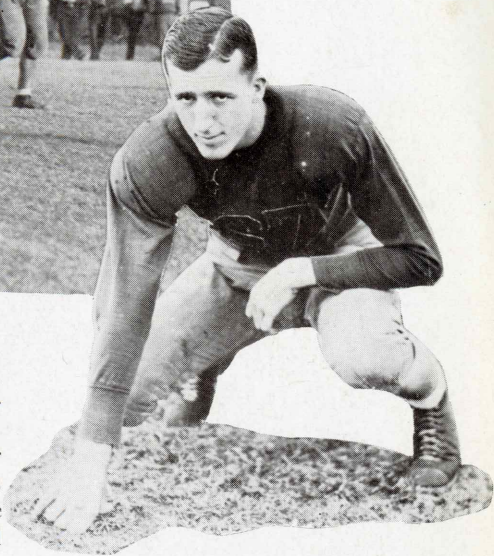

game is memorable in the fact that the linesmen accounted for more points than did the ball-carrying corps. Two tackles, Giddens and Beaumont, and an end, Woodard, each made a touchdown with the remaining marker being scored by Full-back Hewett.

As the highlight of the Homecoming Day activities, the Techsters paraded their wares on the rectangle for the benefit of 4,000 loyal fans who saw the arch rivals of the Bulldogs, the Normal Demons, suffer a 32 to 0 defeat at the hands of the Ruston eleven. Turner, Gardner, Beckett, Hinkie, and Hewett, each toted the oval across into the "promised land."

By this time fans began to talk in terms of an untied, undefeated, and unscored-on Tech team but they reckoned without the Millsaps Majors. This group of highly-touted air raiders proceeded to lay down an aerial attack that netted them 21 points and then held a determined Tech rally to 20 points, thereby blasting all three hopes of the Bulldog devotees. McDaniel, a glue-fingered halfback, caught all three of the touchdown passes that resulted in the Canines' heart-breaking defeat. Hewett, Thigpen, and Carroll, accounted for the tallies made by the Red and Blue bearers.

Not allowing the defeat by Millsaps to dampen their arder, the McLane proteges came back the next week-end and took the measure of the Choctaws of Mississippi College by a 21 to 7 count. Again a pass was the cause of the opponents' score as Green, Indian end, snatched a pass that resulted in their lone tally. Turner, Tech halfback, rose to great heights as a ground-gainer when he ambled off two long touchdown runs, one for 62 yards and the other for 68 yards. Mitchell scored the other tally for the Bulldogs.

In their first contest without home-town support, the Bulldogs exhibited their championship caliber as they triumphed over the Louisiana College Wildcats at Pineville. The Wildcats assumed the lead in the first quarter with Rush, stellar Louisiana College halfback, running over a touchdown to give the Pineville man a 7-point lead. After making a marker but failing to convert the extra point in the second quarter, the Ruston team found its power in the last half and when the

game ended the score read 25 to 7 in favor of the battling Bulldogs. Coody, Hewett, Turner, and Hanna were the touchdown-makers in this tilt.

The next foe of the Techmen, the Mississippi State Teachers, was an association team that had not met defeat prior to their trip to Ruston and were considered potential trouble-makers, but the Bulldogs stopped everything they had, triumphing 27 to 0. Phillips, lanky end, chalked up two of the markers, the first on an end-around-end play, and the second on a pass that netted 27 yards to strike "pay dirt." Cotten and Wiley made the other two touchdowns.

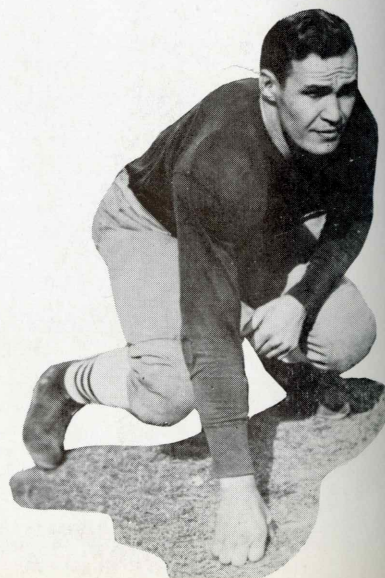

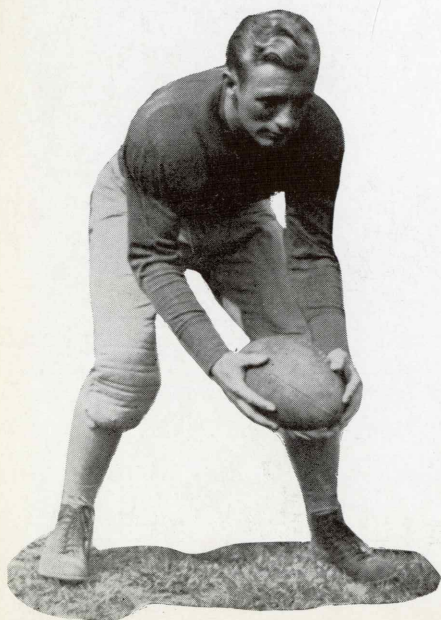

Finally, the Techsters came to that game which every member of the squad wished to participate in as Coach McLane took his neophytes to Tampa, Florida, where they engaged in a skirmish with the University of Tampa Spartans. The medicine that the Bulldogs had brewed for the Spartans proved to be too potent a solution for the lads in the "land of sunshine," who went down before the frolicking Tech eleven, 32 to 7. Hasha and Hinkie each made two touchdowns with the other being marked up by Darling. Carter, Spartan end, made the tally registered by the Florida lads.

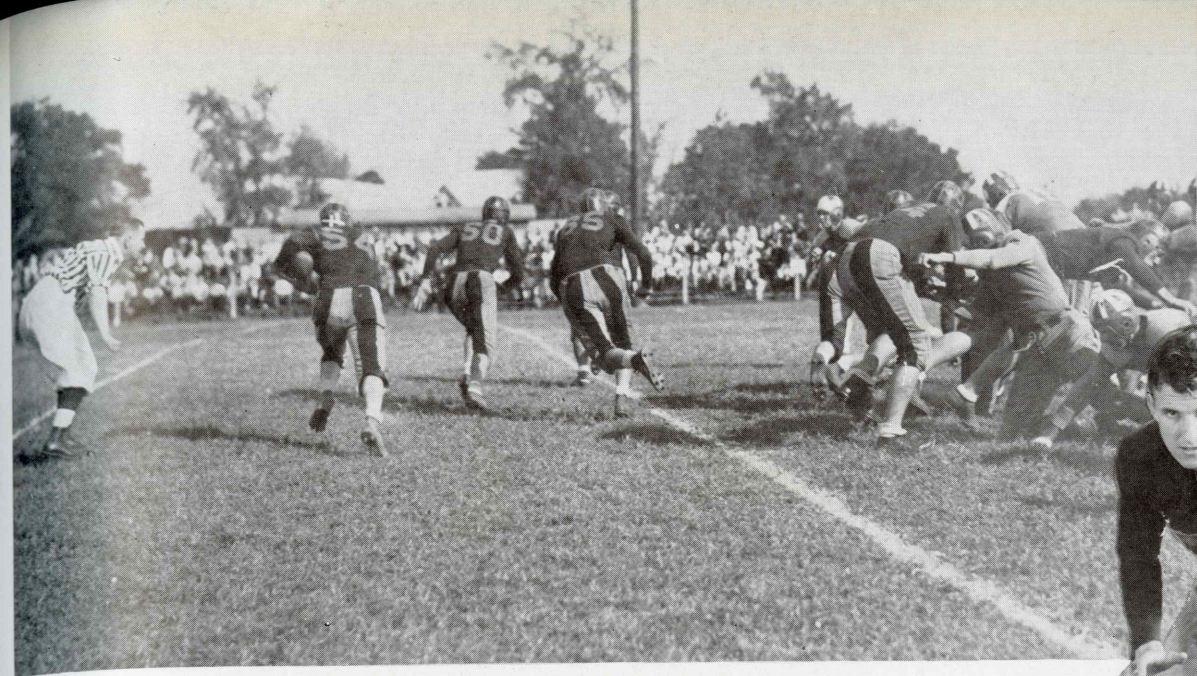

FOOTBALL LETTERMEN OF 1935

Captain Madison Brooks playing his last year for the Bulldogs turned in one of the best performances of his grid career at the center position. He was an excellent play diagnostican, and his services at backing up the line will be missed.

Alternate-captain Bill Ruple, husky guard, finished his football glory in a blaze of glory as he stopped play after play tried over his post. His services will be a sore loss to the Tech squad which he bolstered by his confident air.

Ben "Mohawk" Phillips, lanky terminal player, was selected by his teammates to captain the 1936 edition of the Bulldogs. This action gave praise where praise was due as "Mohawk" proved to be one of the best ends ever developed at Tech.

Billy Mitchell, hard-charging halfback, was designated by his comrades to teams that he could "carry the mail" with his fast, hard-running tactics.

Jack Thigpen, senior quarterback, will be missed very much by the team next year as he was able to select plays best adapted to penetrate the enemy's defense and could also diagnose their running plays. He was also an excellent ball-carrier.

An unexpected star, Archie Turner, big, hard-charging halfback, was developed, who exhibited hitherto unsuspected power and drive as he ripped and tore the opposing lines to shreds. He served the last year for the Bulldogs and his smashing ability will be hard to replace.

Fred Beckett, playing his last year for the Bulldogs at the terminal post, will be missed as he was adept at snatching passes and stopping plays.

Will Cotten, player at the halfback post, gave a remarkable performance for the season and his ground-gaining pace will be hard to replace next year.

W. C. Johnston, husky guard, in his senior year found his true power as he turned back play after play tried by the opposition for no gain.

Thomas Deas, guard, was one of the best guards on the 1935 team and his last year proved his championship caliber.

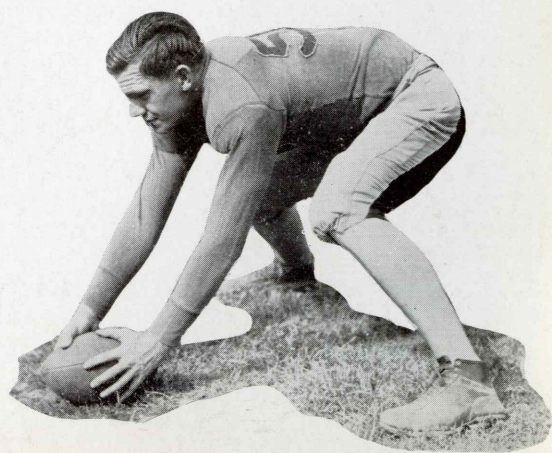

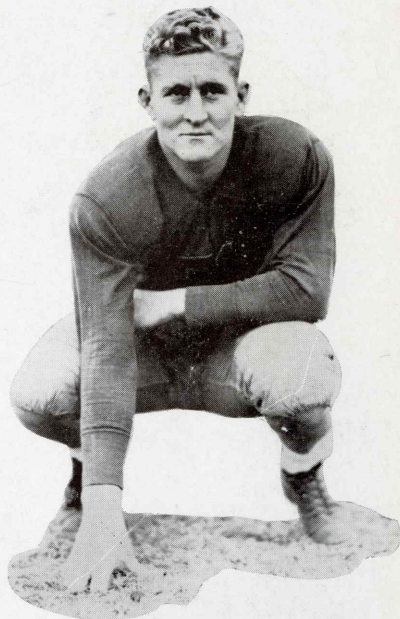

Aloys Adkins promises to be one of the best guards ever seen at Tech as he turned in consistently fine performances the entire season.

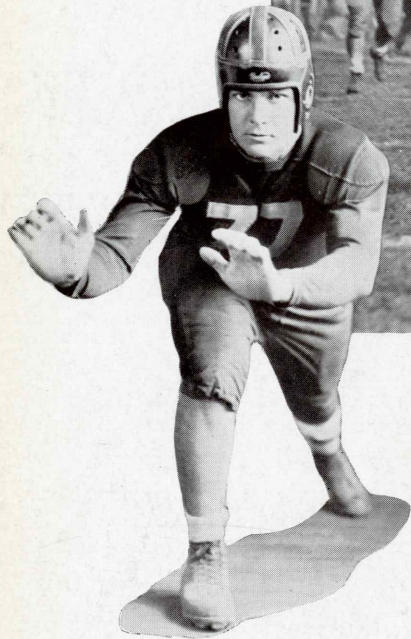

Houston Beaumont, husky, hard-hitting tackle, in his first year on the Red and serve as alternate-captain on the team next year. Billy showed the opposing Blue squad, gave promise of being a top-notch performer ere his grid career ends.

Guy Carroll, nifty broken-field performer, may be called the "rubber man" of the team as he showed ability to absorb punishment and still carry the ball for substantial gains.

Irvin Causey, center, will be a valuable man on the squad for the next two years as he gave a fine example at backing up the line and diagnosing plays.

Don Darling, quarterback, proved to be an excellent field general and will be a valuable man in the coming two seasons.

Clyde Funderburk, terminal player, was an adept and valuable pass catcher for the Bulldogs in his first year and promises to go toward better things in the coming two seasons.

Carl Gardner, signal-caller, turned in a profitable season at the quarterback position and will be one of the mainstays of the team in '36 and '37.

Hershell "Wimpy" Giddens is the best tackle ever brought to Tech to perform for the Bulldogs as he continually battered the enemy line to shreds and threw the ball carriers for losses.

Wallace "Jakie" Hanna, shifty halfback, promises to be one of the best "ball-toters" seen here in many years as he rippled off gain after gain for the Bulldogs.

Gene Hasha, fast charging end, crashed through the lines of the opposition many times to throw them back.

Herman Hewett, hard-charging fullback, will be one of the best ball-carriers ever developed at Tech as he proved his ability to punch the enemy's line for yardage.

"Bunker" Hill, big tackle, was one of the main players on the 1935 team and he should be a permanent addition on the squad in the coming two seasons.

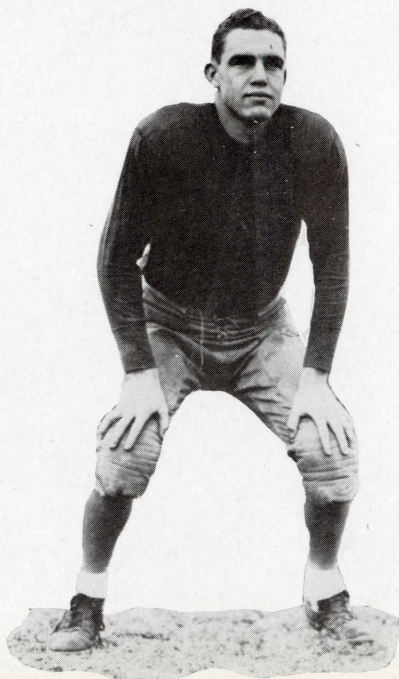

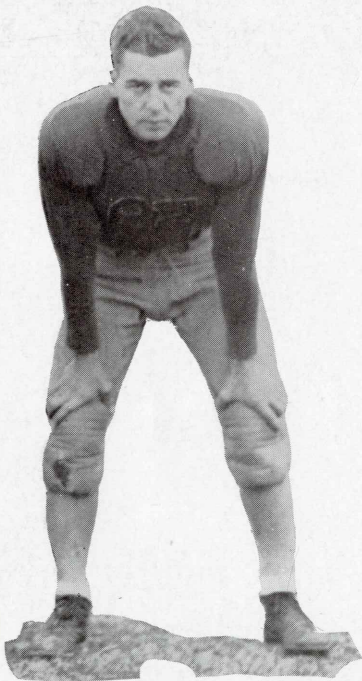

W. H. Hinkey, nifty-running halfback, although a lightweight, was one of the most consistent yard-gainers on the team.

Herbert Massey, fullback, turned in a good season at the power position and should do bigger things in '36 and '37.

James Mize, behemoth tackle, stopped any plays tried by the opponents and should be even better in the coming two years.

George Rajcan, guard, hit the opponent's lines many times to tear through and spoil the plays and was also a bulwark on the defense.

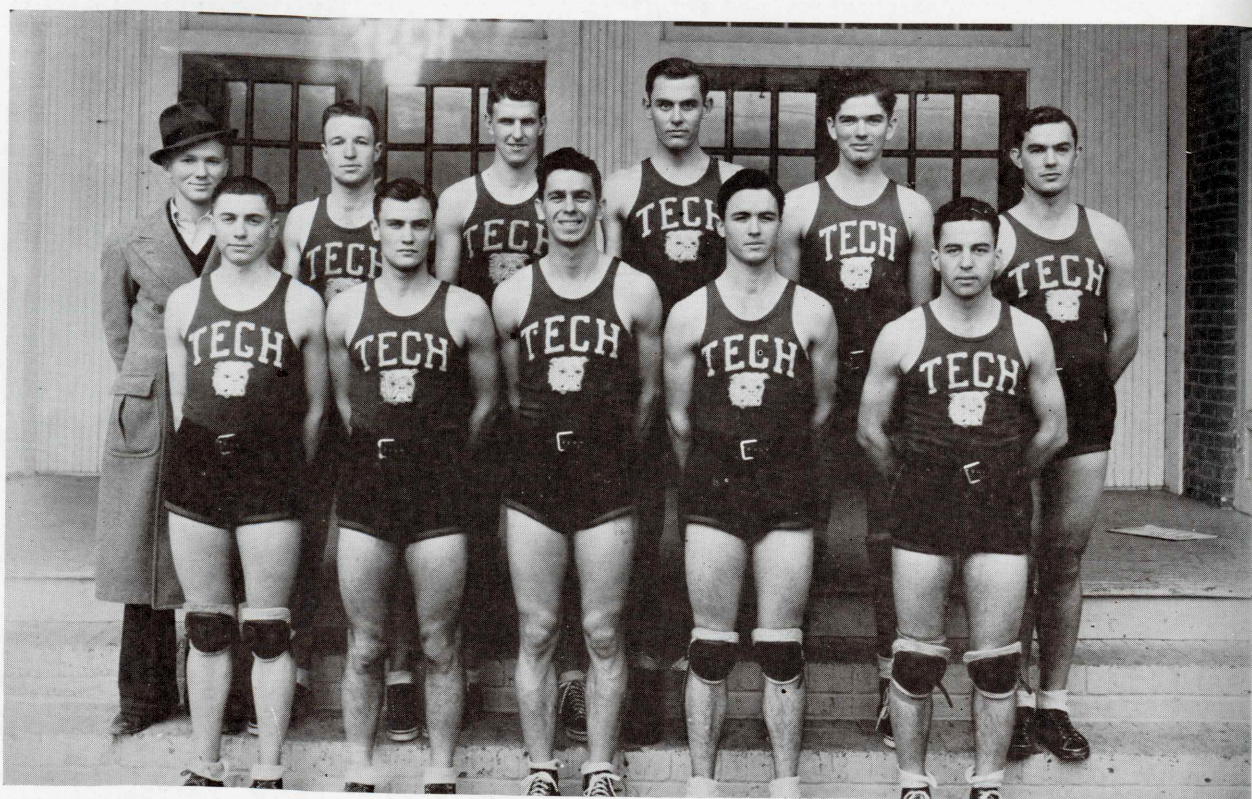

Don Wiley, left-sided passer and punter, pulled the Techmen out of many holes with his long punts and running. He will be one of the most valuable men ever developed at Tech.

RESUME OF CAGE SEASON

Using the style of basketball developed at the University of Wisconsin that features the "slow break," the Louisiana Tech basketball artists finished a 15-game season with a total of 11 victories, nine of which were marked up over S. I. A. A. opponents.

This cage record entitled the Techsters to a bid to the S. I. A. A. tourney held at Jackson, Miss., where the Bulldogs advanced to the semi-finals. Their first game at the meet resulted in a victory as the Ruston lads defeated the Wofford Terriers 42 to 37, but their next foe, the Western Kentucky five, were too strong for the Bulldogs, who lost 60 to 41.

The Techsters started off their year in mid-season style, taking their first two engagements by decisive scores. Louisiana Normal's Demons upset the Canines with a two-point win in their third battle.

Staging a strong come-back, the Techmen took their next six games as they won out over Mississippi State Teachers, Birmingham-Southern, Tampa University, Southwestern, Mississippi College, and Millsaps. A game at Hattiesburg, Miss., broke the winning streak as the Mississippi State Teachers nosed out the Ruston cagers.

The most cherished victory of the year for the Bulldogs came in a cage thriller with the Centenary Gentlemen, who lost 38 to 37 to the Canines before a frenzied, record home crowd.

The Howard cagers fell a victim to the Tech men in the next battle. The Centenary Gents revenged themselves of their former defeat as they handed the Ruston lads a defeat at their next encounter. In the Techsters' final game of the season the Normal Demons ran up a huge score on a Bulldog five that was hampered by the loss of three regulars through sickness.

Two games that had been scheduled with the Louisiana College Wildcats had to be called off, due to the sickness that took toll of Tech's squad.

SEASON RESUME OF BASEBALL

Louisiana Tech's 1935 representatives on the diamond completed a sixteen-game schedule with nine victories in their favor at the end of the year.

This record spoke well for the sophomore talent used mostly by Coach "Eddie" McLane in wresting honors from their opponents on the diamond.

Tech opened their schedule against a strong Big Ten team, the Purdue University Boilermakers from Lafayette, Indiana, who played the Bulldogs a set of three game at Ruston. The Boilermakers won two of the trio of tilts when they defeated the Techsters in the first one 3 to 2 lost the second 9 to 1 and then took the "rubber" game 10 to 5.

Four engagements with the Mississippi College Choctaws was next on the baseball program with two being played at Ruston and two at Clinton, Miss. The brace of games at the lair of the Bulldogs were divided but Tech went to the home of the Choctaws and annexed both matches to win the series 3 games to 1.

A pair of tilts with the College of Marshall resulted in two more marks in the win column for the Techsters, who subdued the Marshall men 9 to 6 and 8 to 0.

The second invading team from the north, the Illinois Wesleyan Titans, proved to be too much for the Techsters, who went down 9 to 4 and 2 to 1 before their clouters.

The second invading team from the north's aces of the diamond making an extended trip through several northern states and playing three games, all of which were won by the Bulldogs. Tennessee Tech was the first victim of the Canines, who humiliated them 20 to 3 at Memphis, Tenn. A one-game tand with the Titans of Illinois Wesleyan at Bloomington, Ill., gave the Techman a chance to partly avenge themselves of the former defeatss at the hands of the Titans as Tech took the game 11 to 5. Another team at Bloomington, Illinois Normal, fell under the domination of the Tech batsmen 16 to 2.

Three games that were to be played with Purdue's Boilermakers at Lafayette, Indiana, and one that was to be played with the Indiana State Teachers had to be cancelled, due to unfavorable weather conditions.

Following their return from the sojourn in the north, the Bulldogs closed out their season as they went to Baton Rouge, where they engaged the Louisiana State University Tigers in a pair of tilts that saw the Tigers beat the Bulldogs 5 to 4 and 9 to 6.

REMAINING GAMES ON SCHEDULE

May 4- 5—Miss. College at Clinton, Miss.
May 11-12—Notre Dame at South Bend, Ind.
May 13-14—Purdue at Lafayette, Ind.
May 15—Wabash College at Crawfordsville, Ind.
May 16—Purdue at Lafayette, Ind.
May 18-19—Illinois Wesleyan at Bloomington, Ill.

1936 BULLDOG BOXERS

*Back row—Hoover, Holstun, Giddens, Odom, Williamson, and Wojecki (coach).
Front row—Gill, Carroll, Wiley, Deas, and Black.*

1936 BOXING RECORD

Louisiana Tech's chin-jarrers under the tutelage of Coach Eddie Wojecki completed a fairly successful six-match season in view of the fact that this year marked the first time that the "art of self-defense" reached intercollegiate proportions at Tech.

The Bulldog mitt slingers wound up their scheduled rounds of bouts with one victory, two defeats, and three ties.

The first match for the Canines pitted them against the powerful and experienced Chiloco Indians from Enid, Okla., who defeated the Bulldog glove-dusters 6 to 1. Don Wiley, Tech's representative in the 160-pound class, was the only boxer to win his bout against the Indians and incidentally the only Techster to finish the year undefeated.

Louisiana State University's "B" team fell by the wayside when they entered the ring against the Tech mittmen as the Ruston lads took them down by a 5½ to 2½ count.

The Bulldogs' ancient and arch rivals, the Centenary Gentlemen, whipped the Techmen 5 to 2 in Shreveport and the return bouts fought in Ruston resulted in a 4 to 4 draw.

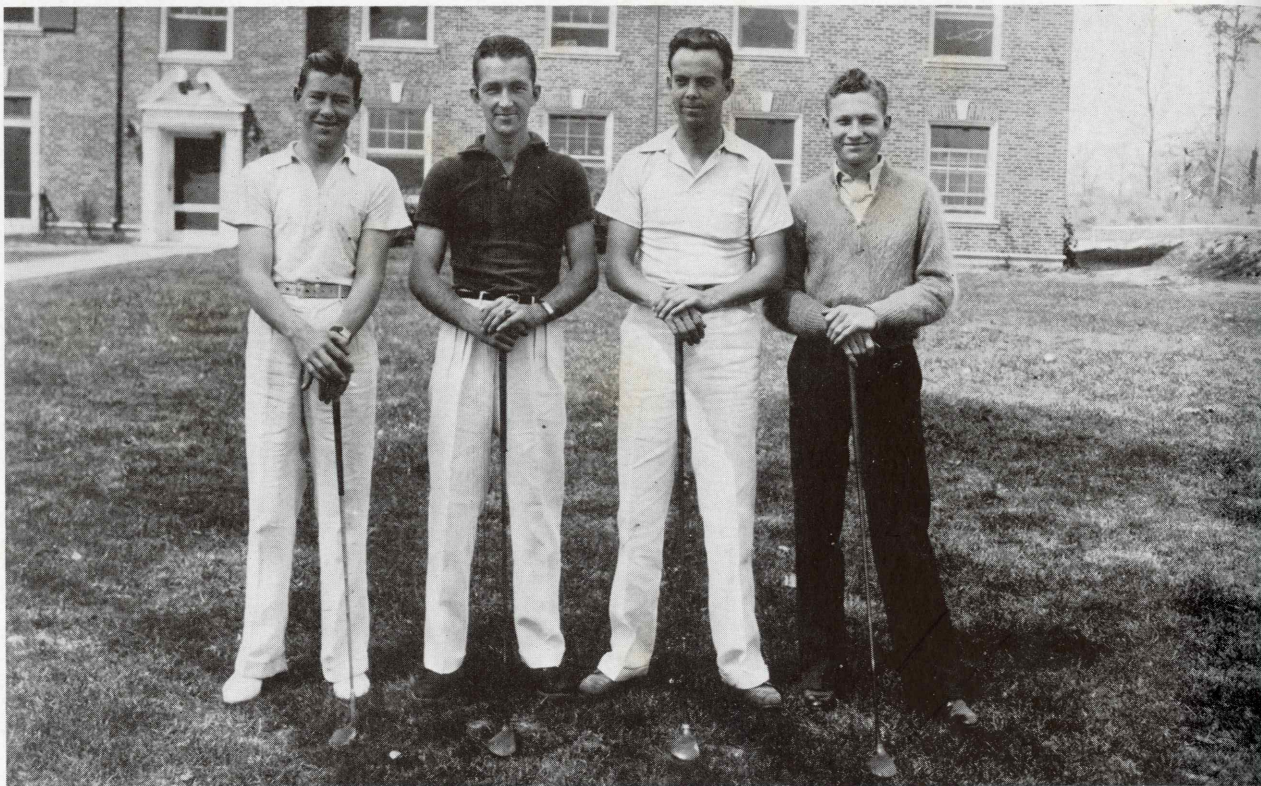

Two matches scheduled with the Northeast Center Indians of L. S. U.'s boxing representatives, one at Ruston and the other in Monroe, ended with Tech's ring warriors fighting the Indians to a 4 to 4 draw each time.

The men who lettered in boxing included: Vergie Williamson, 118 pounds; Charlie Hoover, 125 pounds; Ben Gill, J. D. "Pewee" Holstin, and John Black, 135 pounds; Guy Carroll, 155 pounds; Don Wiley, 165 pounds; Thomas Deas, 175 pounds; Hershell "Wimpy" Giddens, heavy-weight.

1936 GOLF SQUAD

Left to right—Bridges, Thomas, Armstrong, and Thurmon.

GOLF RESULTS

With a team composed of two lettermen and two beginners, the Tech divot diggers had completed five matches by May 1, winning two and losing three.

The golfers opened their season against the Louisiana State University golf team who defeated the Bulldogs $13\frac{1}{2}$ to $4\frac{1}{2}$.

A trip that carried the Techmen through the southern part of the state and through Mississippi and Alabama resulted in two wins for the Ruston lads and two losses. The Canine pellet pounders were defeated by Loyola at New Orleans 11 to 7 and were beaten by Springhill in Alabama $15\frac{1}{2}$ to $2\frac{1}{2}$.

Stopping at Jackson, Miss., on their way back to Ruston, the Red and Blue squad swamped the Millsaps Majors under a $17\frac{1}{2}$ to $\frac{1}{2}$ score. A return match with the Majors at Ruston gave the Bulldog golfers an 18 to 0 victory.

The Canines still had another match scheduled with the Loyola team set for May 16.

The Bulldogs were shown the "tricks of the trade" by Coach D. G. Armstrong.

1935 TRACK AND FIELD TEAM

Back row—Hughen, Gowan, Woodward, Waters, Kidd, Coody, and Neal.

Front row—Adkins (manager), Hudson, Colvin, Crawford, Lowery, Garrigus, Smelley, Turner and Shirley (coach).

TRACK SEASON OF 1935

With the veteran Coach Ed Shirley at the helm, the Louisiana Tech thinclads took part in meets with three colleges, winning two and losing one.

The Tech cinder squad did not take part in the annual S. I. A. A. meet because injuries took toll of several of the mainstays of the team.

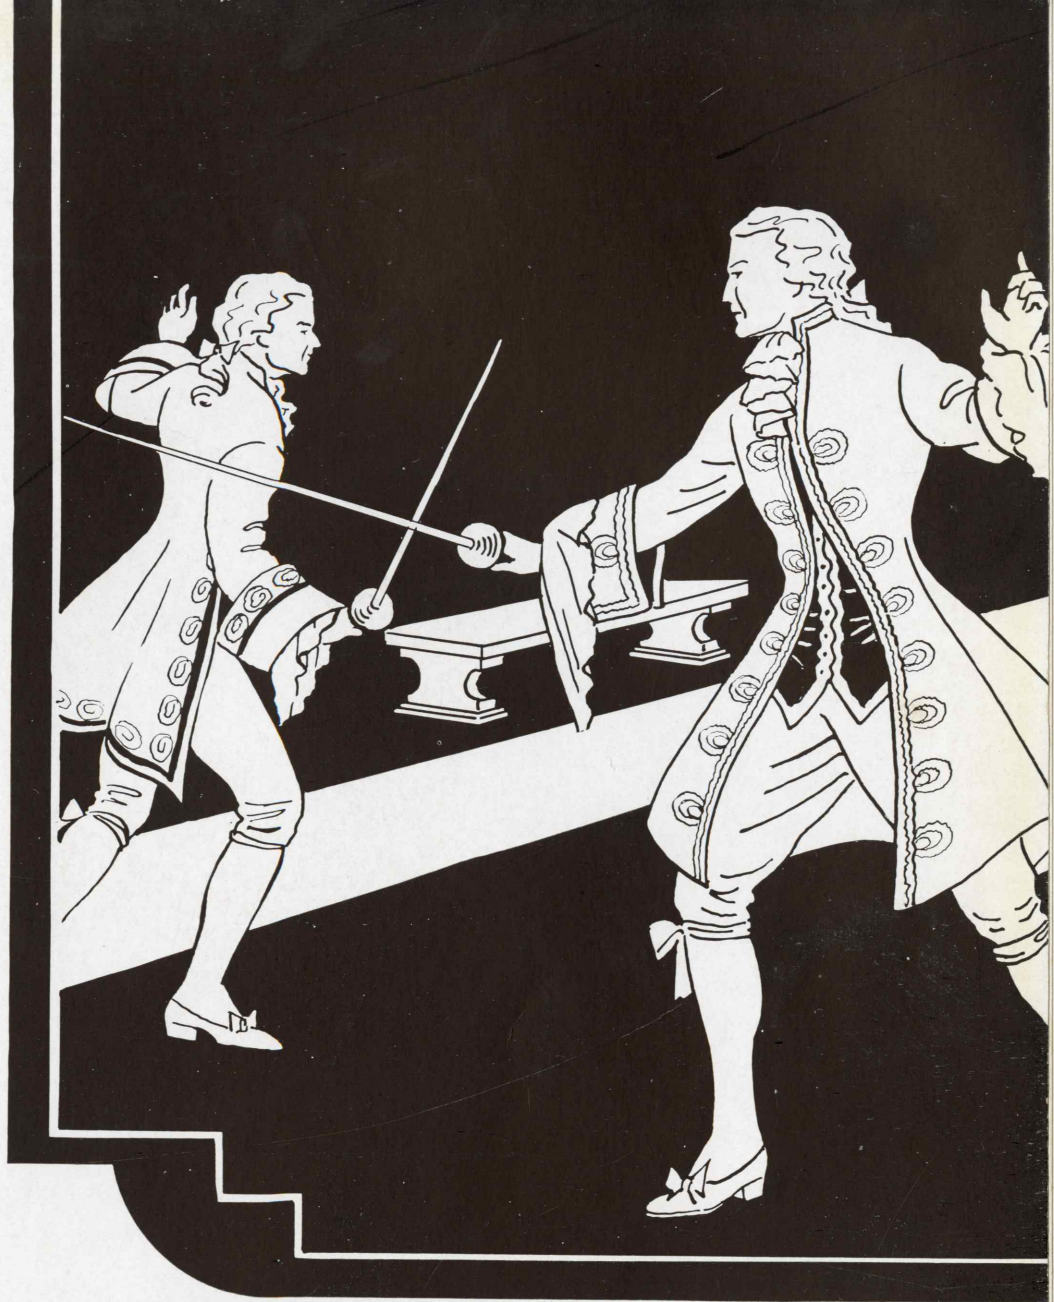

Opening their schedule, the Bulldog track and field team lost to Louisiana College, 67½ to 46½.

Their next two foes, Mississippi College and Normal Demons, proved to be easy marks for the Ruston lads, who took the Choctaws down 72 to 40 and defeated the Demons 74 to 48.

1935 TRACK RESULTS

CLAUDETTE COLBERT

February 15
1936

Dear Miss Craighead:

I have done my best, and I do want everyone to know that it was very difficult and that in the end I practically closed my eyes and made a lottery of it!

The first six beauties are Marjorie Pardue, Lillian Wise, Snowdie Howard, Irene Goyme, Rosemary Breed, Millie Lomax, in that order.

I do hope that no one will feel hurt, and best wishes to you all.

Most cordially,

Claudette Colbert

JEAN CRAIGHEAD
Editor-Manager

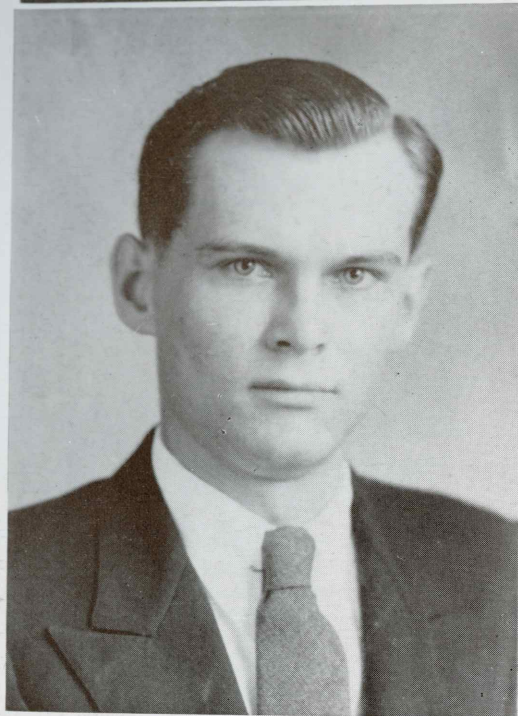

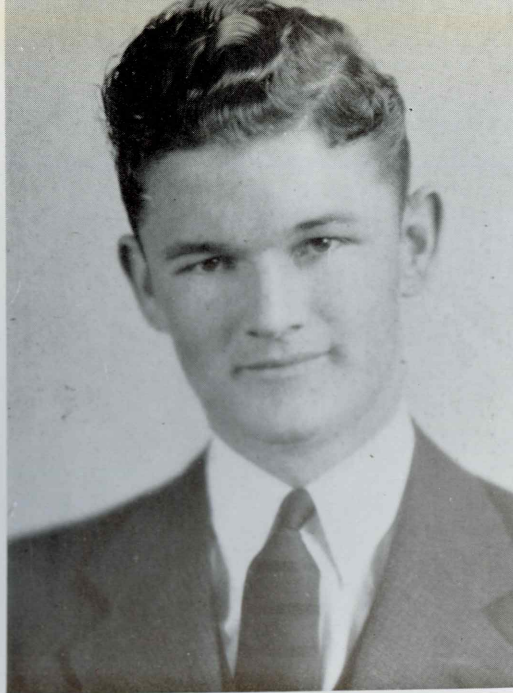

MR. K. F. HEWINS
Faculty Advisor

The Lagniappe, yearbook of the student body of Louisiana Polytechnic Institute, is published annually without the aid of advertisers. This practice was begun in 1934, and it is believed that this is the only large college yearbook financed solely by the students. Under the supervision of Mr. K. F. Hewins, the book is edited by a student, chosen by the Publications Committee for the position.

The title, "Lagniappe," is typical of the Pelican State and means "something extra."

Publishing the 1936

The TECH

JAMES PRICE
Editor

PAUL COOK
Business Manager

The Tech Talk is published weekly by the Journalism students of Louisiana Tech, under the supervision of Kenneth F. Hewins, Director of Publications.

All-American Honor Rating by the National Scholastic Press Association was awarded the publication in 1930 and 1933, and First Class Rating was earned in the years 1931, 1933, and 1934.

Y. M. C. A.

During the year, the Y. M. C. A. matched the growth of Tech and maintained the high standard of service to fellow-students set by the organization in the past.

Valuable contributions to the movement were made by the officers and committeemen, as well as the entire membership. Programs presented in the "Y" room were of the following types: musical, lectures, discussions, debates and special musicales. Joint meetings with the Tech Y. W. C. A. were held from time to time.

Outside activities of the "Y" were topped by the Stunt Night contest, sponsored annually by this organization. Other general activities included participation in the freshman orientation during the first few days of school and the annual Christmas tree lighting on the campus.

Looking back over the year's work, officers and committeemen confidently feel that their work was a success and that they left the organization in good shape for those who take charge next year.

*"To err is human;
to forgive divine"*

In no more fitting place could this quotation be used than in the apology for the conceded errors which this book may contain. So many factors are involved, such as the possibility of typographical errors or the procrastination of certain groups in having pictures made, thereby leaving such a short period of time to compile the contents that no one editor even with some help could have a perfect book.

To you who have assisted and helped in the editing of this book, the editor of the 1936 Lagniappe is deeply grateful and takes this opportunity to express her heartfelt thanks and appreciation.
